Libraries Matter...

New Yorkers for Better Libraries

New York Library Association (NYLA)

Legal Defense Fund: NYLA's ability to continue aiding libraries facing legal issues of statewide concern is predicated on a robust Legal Defense Fund.

Sustainable Libraries Initiative (SLI)

SLI is an award-winning project to create leadership and provide tools to mobilize libraries to think and act sustainably.

Public Library Directors Association of Suffolk County (PLDA)

PLDA promotes the interest of public librarianship and public library service in Suffolk County and fosters the improvement of public library services, programs and procedures.
